NURSE'S NOTES...

By Mrs. Maureen Krane RN, Lower School Nurse

Once again I am collecting gently used winter coats for NJ Cares. This organization collects coats, dry cleans them, and then distributes them to needy women, children and men throughout New Jersey. I have been told by the participating cleaners that the donations made each year by the parents here at the Lower School have made a dramatic impact in the drive. As we enter the fall and winter months, please sort through your coats that are no longer used by your family and think about donating them to our drive. You may drop coats off at my office at any time. If you have any questions, please call me at the school at 201-227-3162.

With fall upon us and winter not far behind, we ask each parent to send in a change of clothes for their child. This applies to children in all grades not just the youngest. With rain and snow comes wet playground equipment which, in turn, means a wet child. We also have lunch spills and paint mishaps. Kindly choose a non-favorite pair of pants, shirt, underwear and socks to be left in your son/daughter's locker.
