A HEARTFELT THANK YOU...

The faculty and staff would like to thank all those who participated in the holiday fund. Your kindness and generosity are greatly appreciated. A special thank you to Caralyn Fuld, Erin Thomas, Elise Matsubara, and Kate Rodgers for all their hard work on the holiday fund.

PAJAMA DRIVE...

The third graders would like to thank the Lower School for participating in their pajama drive and donating over 222 pairs of pajamas. These pajamas will be given to children and adults, many of whom have never had a new pair of pajamas. Thanks to you, now they will.

COAT COLLECTION...

Again this year, the Lower School coat drive was a success! There were 82 coats donated, and each will keep a person nice and warm this winter season. Thank you for your generosity and consideration of those who are in need.

DELAYED OPENING/SCHOOL CLOSURE...

In the case of a delayed opening or school closure due to inclement weather or for any other reason, the school will notify parents using our automated system. The length of a delayed opening may vary depending on circumstances. Therefore, the message will include the start time for classes. Parents should call the main switchboard and listen to the message if they have any uncertainty regarding a delayed opening or closure of school.

*The faculty and staff wish all our students and their families
a very happy holiday season.*
