REMINDERS:

LS Parent Forum...

Please join us for a presentation by the senior members of the Nickelodeon Group on **Monday, April 9** at 8:30 a.m. at Hajjar Auditorium on the topic of **Children & Families: Research for the Next Generation**. This presentation explores the world in which our children are growing up and the unique challenges and opportunities they will face.

Middle School Orientation...

Fifth-grade parents are invited to an orientation session on **Tuesday, April 17** with Middle School Principal Kathy Christoph and other Middle School administration and faculty. This evening is an opportunity to learn about what can be expected as fifth-grade students prepare to enter Middle School. This event takes place in the lobby of Umpleby.

CTP-IV Test...

In late May of this year third-grade students will take CTP-IV Test. The CTP-IV focuses on reading, vocabulary, writing mechanics, mathematical achievement, as well as verbal and quantitative reasoning. Considering this is the first time this group of students will take a standardized assessment, we invite third-grade families to join us for a meeting to learn more about the CTP-IV, how test scores are shared with families and how we use test scores internally. The meeting will take place on **Thursday, April 19th at 8:30 a.m.** in Room 219. We hope that you are able to join us.

We ask families to note that The Lion King Jr. does include a few moments which might be frightening for our very youngest community members. The most notable is the death of Simba's father, Mufasa. While potentially frightening, this is but a brief moment in a beautiful story, and the overall message of The Lion King Jr. is one of home, love and family.
