CALENDAR CHANGE

School will be closed on Wednesday, April 10th for Eid and will be in session on April 11th. Please note that this is a change from the original calendar date.

SOLAR ECLIPSE

On Monday, April 8th in the afternoon there will be a solar eclipse. We have planned for age-appropriate instruction in classes on what this means, what to expect during this time, and necessary safety precautions. We will also supply students with eclipse glasses, purchased through a legitimate scientific source. Although we will be educating students about the eclipse and safety, please have your own conversations at home with your child(ren) to reinforce safe practices.
