COMMENT FORMS

Parents will be able to view their child's first semester comment forms this evening. An email will be sent to families this evening that they are ready to be viewed with instructions on how to access.

SAVE THE DATE – March 6, 2025

Understanding the Science of Reading, Presented by: Sophia Brumby and Mara Trager

Back by popular demand - we are offering another session on Understanding the Science of Reading after hearing feedback from families that weren't able to make the first offering. Please join us to learn about the foundation of the Science of Reading, including word recognition and language comprehension. In addition, we will discuss what reading instruction looks like in the classrooms, assessments, and groupings across the grades. Please look out for an RSVP form in Just the Facts!
