***The Faculty and Staff wish all our students and their families a happy, restful and fun-filled summer - and a special thank you from Julia and Susan:***

*Dear Lower School Families,*

*Watching your children grow and learn has been a gift and an honor, and partnering with all of you has been both meaningful and rewarding. There is so much we will carry with us - autumn on Rocky's Field, the way snow covers the campus in winter and the magnolia trees blooming each spring. And most of all, we will miss your children - their questions, their laughter and their light.*

*Thank you for allowing us to be a small part of their journey with them. As we leave the Lower School, we do so with full hearts, deep confidence in the leadership to come and profound gratitude.*

*Warmly,  
Julia and Susan*
