### **Glamourpuss** - Picture Book

Glamourpuss loves being the center of attention. So when an unwelcome guest (a dog, no less!) steals the spotlight with some tasteless bow-wowing and undignified tail-wagging, Glamourpuss worries that she's going to fall out of fashion. Is there room for only one superstar in this mansion? When Glamourpuss makes her most majestic move to find out, the result is pure purrfection.

### **Sophie Peterman Tells the Truth!** - Picture Book

"Sure to elicit chuckles from both parents and older siblings who would just as soon be 'onlys,' this fresh new addition to books about sibling rivalry is a keeper." (Washington Post)

### **If I Were a Lion** - Picture Book

How could such a sweet little red-haired girl's mother accuse her of being wild? Worse still, how could she possibly make her sit in the time-out chair? That's precisely what this little girl wonders as she sits in the chair and lets her imagination (but not her manners, no way!) run wild: "If I were a lion,/ I'd growl and roar/ and knock the dishes/ on the floor./ I'd scare the hair/ right off the cat,/ but do you see me doing that?" (Amazon)

### **Mrs. McNosh Hangs Up Her Wash** - Picture Book

Mrs. McNosh hangs up her wash with such gusto that her clothesline ends up holding the dog, a Christmas wreath, a kite, and other odd items.

### **Save Me A Seat** - Chapter Book

Joe and Ravi might be from very different places, but they're both stuck in the same place: SCHOOL. Joe's lived in the same town all his life, and was doing just fine until his best friends moved away and left him on his own. Ravi's family just moved to America from India, and he's finding it pretty hard to figure out where he fits in. Joe and Ravi don't think they have anything in common -- but soon enough they have a common enemy (the biggest bully in their class) and a common mission: to take control of their lives over the course of a single crazy week.

### **Honey** - Chapter Book

For a girl like Melody and a dog like Mo, life can be both sticky and sweet. Melody has lived in Royal, Indiana, for as long as she can remember. It's been just her and her father, and she's been okay with that. But then she overhears him calling someone Honey -- and suddenly it feels like everyone in Royal has a secret. It's up to Melody and her best friend, Nick, to piece together the clues and discover why Honey is being hidden. Meanwhile, a dog named Mo is new to Royal. He doesn't remember much from when he was a puppy... but he keeps having dreams of a girl he is bound to meet someday. This girl, he's sure, will change everything.

### **PIE** - Chapter Book

When Alice's aunt Polly, The Pie Queen of Ipswich, passes away, she takes with her the secret to her world-famous piecrust recipe. Or does she? In her will, Polly leaves the recipe to her extraordinarily fat, remarkably disagreeable cat, Lardo... and then leaves Lardo in the care of Alice. Suddenly, the whole town is wondering how you leave a recipe to a cat. Everyone wants to be the next big pie-contest winner, and it's making them pie-crazy. It's up to Alice and her friend Charlie to put the pieces together and discover the not-so-secret recipe for happiness: Friendship. Family. And the pleasure of doing something for the right reason.

### **Cheese: A Combo of Oggie Cooder and Oggie Cooder, Party Animal** - Chapter Book

Oggie Cooder loves cheese so much that he carries a slice of cheese with him wherever he goes. It's not just for a snack -- Oggie is an excellent charver. (Charving is when you chew a piece of cheese to carve it in the shape of something.) The kids at school think Oggie's charving is a little strange. But when a big TV show comes looking for people with unusual talents, Oggie is suddenly Mr. Popular. Can Oggie carve a path to fame and score an invite to the party of the year without melting under the pressure? No matter how you slice it, you're going to laugh when you read about one small kid becoming a really big cheese, in this hilarious combination of Oggie Cooder and Oggie Cooder, Party Animal.
