REMINDERS AND ANNOUNCEMENTS

FIELD DAY...

Field Day will be held on Tuesday, June 5, 2018. Children in grade 1st through 5th will participate in a few different cooperative challenges and relays that will involve water which means that we will be getting very WET (weather permitting). Please help your child be prepared by providing a change of clothes or have your child bring in a bathing suit and t-shirt to cover up.

CAR VISORS...

In thinking ahead to next year, we ask all parents to please save their car visors that are used during afternoon pick-up. The visor signs are very important at the beginning of the year because your child will have a new teacher who doesn't know your car. As a matter of procedure, we do not issue new visors for returning students. However, if you have lost yours or want a duplicate for a second car, please email Ms. Bryan at bryand@d-e.org before the end of the school year, and it will be ready for you in September.

NEW INFORMATION

UPCOMING MAILINGS TO PARENTS...

Parents will receive two hard copy mailings in the summer along with an import email containing the 2018-2019 class lists. The first mailing will be sent out the week of June 18th. This mailing will include a “What to

Expect" letter from the principal, next year's Lower School calendar, dismissal information, and several other pieces of information. The second mailing in mid-August will include a welcome letter from the teacher, a phase-in letter for preschool and kindergarten parents, several important forms to be filled out and returned, calendars, and a music brochure. If parents do not receive any of these mailings, they should contact the Lower School office at 201-227 3220.

FROM THE NURSE...

It's time again for the annual health exams. Exams for 2018-2019 should be performed between January 2018 and July 15, 2018 and forms should be submitted promptly after completion. The forms should have arrived in your email, but if you cannot locate them, they can be found at www.d-e.org/enroll. Please follow the directions stated for children who have their exam after July 15, 2018. Also included is a permission form for medications in school. Kindly anticipate your child's needs. If your child needs Ibuprofen (frequently needed for fever or orthodontic pain) or eye drops (over-the-counter and prescription) this school year, please have this form completed by your physician. As always, you may email me at kranem@d-e.org with any questions.
