UPCOMING

1/20 Monday Martin Luther King, Jr. Day – SCHOOL CLOSED

NEW ANNOUNCEMENTS...

5TH GRADE PARENTS...

Join us for a discussion about the Life Skills classes where your children will be learning about growth and development (aka "The Puberty Talk"). The discussion will include an overview of topics to be covered during these Life Skills lessons, including growth and development, values around sexuality, and strategies for self-care. Learn more about how to successfully facilitate conversations with your child around these topics, and how to be an "Askable Parent."

COMMENT FORMS...

Parents will be able to view their child's first semester comment form during the week of February 3rd. An email will be sent to parents on the day they are ready to be viewed with instructions on how to access.

OUTDOOR RECESS...

Except for days when temperatures make it too cold or it is too rainy for students go outside, students spend recess and sometimes snack out of doors. Parents are reminded to send their child to school with the appropriate outerwear for rainy and cold weather including a hat, gloves, and a Chapstick to keep in their pocket. Also, when it snows, children should be sent with boots and snow pants so they can go outside.

LOWER SCHOOL ACCESS FOR DELAYED OPENINGS...

This is to clarify the time when Lower School will be open when we have delayed openings. On normal days, the official opening time is 8:05 a.m. The school provides "before care" as a courtesy to families starting at 7:30 a.m. Unfortunately, "before care" is not available on delayed opening days. Students should arrive at the **specified** delayed opening time to allow for the faculty and staff to arrive to school safely as well. Thanks to the LS Parents' Association and class reps for communicating this in the previous delayed opening days and thank you for your support and understanding.

MLK Day of Service
