## NURSES NOTE...

### Magnus Reminder

As we head into the new year, many have received emails from Magnus stating your child's health exam is due. There will be reminders right up until the due date. The date is determined by your child's 2019 exam date. Reminders are automatically sent so that you will have enough time to make an appointment and also comply with your insurance requirements. There will be a two-week grace period from the anniversary date of your child's 2019 physical exam during which the 2020 exam should be uploaded. *This is a change from what we previously have done.* Maintaining an up-to-date health file will ensure full participation for you child and help us meet their needs. If you email Maureen Krane after you upload the forms, she can then go into Magnus and mark your health forms received. As we near the summer, you will get additional reminders to complete the other forms in your portal. Please call or email [kranem@d-e.org](mailto:kranem@d-e.org) with any questions.
