| Wednesday, May 13 | LS Magic Show Assembly – 1:45 p.m.<br>Zoon Invite to follow |
|-------------------|---|

### D-E Bulldog Club...

The D-E 360 ACE Team is offering a digital hang-out for Lower School students from 2:30-5:30 p.m. each day. These offerings are gratis (free) and focused around giving students interactive recreational time, supervised space to talk and stay connected, as well as a curated collection of online resources that children may tap into anytime to reinforce learning or explore something new.

The offerings will be updated on a weekly basis to provide students with a variety of experiences. No registration is required. Secure Zoom IDs and passwords will be provided each week to LS families via email. For information on the fun activities available, please visit the D-E 360 webpage at [de360.d-e.org](http://de360.d-e.org) under the LS Aftercare and Enrichment tab.
